

Chicago's Metropolitan Pier & Exposition Authority (MPEA) selects Oracle Consulting and Next Generation, Inc. for their JD Edwards Applications Upgrade.

Dec 7th, 2008

Chicago, IL – The Chicago Metropolitan Pier & Exposition Authority (MPEA) has hired Oracle Consulting to modernize and improve its procurement and sourcing functions, as well as upgrade to JD Edwards EnterpriseOne 8.12. Next Generation, Inc. will assist Oracle Consulting with JD Edwards CNC administrators, JD Edwards functional Finance and Procurement SME's, and JD Edwards Developers.

About MPEA

MPEA owns and manages the McCormick Place complex and seeks to promote and operate conventions, fairs and expositions in the Chicago area, in an effort to strengthen the local economy. Historic Navy Pier is also owned and managed by MPEA and the Authority is charged with carrying out the recreational, commercial and cultural redevelopment and operation of Navy Pier, which has become Chicago's most popular visitor attraction.

MPEA is also active in the community, and oversees a variety of programs that positively impact the thousands whose jobs are tied to McCormick Place and Navy Pier, as well as the millions who visit both venues each year.

About Oracle Consulting

Oracle Consulting Services is the premier services provider focusing exclusively on the success of customers deploying Oracle applications and technology. Drawing on industry best practices and deep software expertise, Oracle consultants help you assess your business needs, create your enterprise computing strategy, and deploy new technology to maximize the value of your Oracle investment.
